The 2012 Vintage: Approach With Caution
06:02 | 3/11/12
Huffington Post (blog)
The news this week that we can expect a world wine drought on the back of 2012's inclement weather would have obviously brought an initial feeling of dismay to many who like a glass or two of good plonk. more»

AFL.com
NATHAN HROVAT DOB: 07/06/94. Height: 175cm. Weight: 76kg. Club: Northern Knights/Vic Metro Bio: Dynamic small midfielder who is a prolific ball winner and great user of the footy. more»

A toast to Oz wine
17:17 | 30/10/12
The West Australian
In 1972, Monty Python had a sketch that went by the name, Chateau Chunder. Making a farce of Australian table wines, the iconic British comedy merely voiced what all believed; that Aussie wine was "not a wine for drinking but for laying down and avoiding". more»

For Ex-Goldman Trader, Reporter Wine Work Is Bugs, Memory
12:41 | 30/10/12
Businessweek
Cosimo Maria Masini is a certified organic and biodynamic farm. It uses no synthesized chemicals and limited mechanical intervention in the winemaking process. more»

Hills mined for terroir
22:24 | 27/10/12
Vancouver Sun
Last week I spent an illuminating afternoon in the Garnet Valley, a small Western side valley that T-bones the northern edge of Summerland, very near where Okanagan Lake makes its big turn north to Kelowna. more»
