Mrs Grazyna Lallemand

3 December 2012

Dear Mrs Lallemand

Please accept my sincere appreciation for the time and effort you dedicated to making the biodynamic wine auction for the benefit of WWF such a wonderful success. The creation of a special label, Caelestis, for this unique auction in London was extraordinarily generous. Moreover, inviting Oscar winner Jan A.P. Kaczmarek to write an original score of music for the evening made the event truly memorable. We are indebted to both of you as well as inspired by your commitment to this project.

As you know, unsustainable agriculture practice represents one of the greatest threats to the natural world of our generation. Your kind initiative to produce a select grand cru classé vintage of organic, biodynamic wine provided us an opportunity not only to raise some much appreciated funding, but also to raise the public's awareness about the critical issue of sustainable agriculture.

The funds raised at the event will be put to use in support of WWF's vital conservation work around the globe.

Thank you again for your generous support.

Yours sincerely
